The hallway provides access to both double bedrooms, the beautifully appointed bathroom and living room, while also leading through to the impressive kitchen and dining space — making it an ideal layout for modern day-to-day living.

Kitchen/Dining Room

15'9" x 10'2" (4.81 x 3.12)

This is a room designed for living, not simply cooking. A wonderfully light triple-aspect space, three elegant sash windows draw the outside in from the front, rear and side elevations, while the generous proportions leave ample room for a large dining table — perfect for relaxed family meals, entertaining friends or lingering over Sunday lunch.

The kitchen itself has a good range of wall, base and drawer units, with wooden worktops and space for freestanding appliances including an oven, fridge/freezer, dishwasher, washing machine and dryer. A large sink sits beneath the practical tiled splashback, with an extractor hood and radiator completing the space. The herringbone flooring continues through the room, creating a lovely connection with the adjoining living area.

Sitting Room

14'1" x 22'3" (4.30 x 6.80)

A truly impressive reception room and undoubtedly one of the highlights of the apartment. Semi-open plan to the kitchen and dining space, it feels wonderfully connected while retaining its own sense of occasion.

Three enormous double-glazed windows, beautifully set within the front-facing bay, flood the room with natural light and frame breathtaking views across Durdham Downs. Whether relaxing with a morning coffee, settling down with a book or entertaining in the evening, the outlook provides a spectacular backdrop.

The room retains plenty of period character with a picture rail, moulded skirting boards and chimney recess, while there is ample space for generous sofas and occasional furniture.

Bedroom One

15'8" x 19'3" (4.80 x 5.89)

A wonderfully spacious principal bedroom with a lovely sense of calm and privacy. Three substantial sash windows overlook the leafy rear aspect towards Rockleaze Road, filling the room with natural light and creating a peaceful outlook to wake up to.

The generous proportions offer plenty of flexibility for a king-size bed, wardrobes, dressing area or even a desk, depending on how you choose to use the space. Period detailing including a picture rail, cast iron column radiator and chimney recess adds character and warmth, creating a bedroom that feels both elegant and wonderfully homely.

Bedroom Two

15'8" x 17'7" (4.80 x 5.37)

Another exceptionally generous double bedroom, with three large double-glazed windows to the front filling the room with natural light and offering wonderful views across Circular Road and The Downs, with Leigh Woods visible beyond. The outlook gives this room a lovely sense of space and makes it a particularly enjoyable place to start and end the day.

There is plenty of room for a substantial double or king-size bed, wardrobes and additional furniture, making this a genuinely versatile second bedroom that could equally work as a comfortable guest room, home office or dressing room. Period features including a picture rail, moulded skirting boards and chimney recess add character, complemented by a radiator.

Bathroom

A stylish and well-appointed bathroom, accessed directly from the entrance hallway and finished with contemporary tiled flooring. The generous layout incorporates a full-size bath alongside a separate corner shower cubicle with glazed surround, providing the best of both worlds — perfect for a quick morning shower or a more leisurely soak at the end of the day.

A floor-standing wash hand basin with chrome fittings, low-level WC, chrome heated towel rail and useful shelving complete the room, with an extractor fan and shaving point adding practicality.

Outside

A particularly valuable benefit in this sought-after location is the shared double garage to the rear of the property, together with additional parking and an additional storage room.
