# High Pines 5 Hare Lane End, Little Kingshill, Buckinghamshire, HP16 0EX

High Pines is a unique 1960s detached family home, quietly set on a private road of just five houses in the desirable village of Little Kingshill. Enjoying a peaceful and secluded position with views over open countryside, this split-level home offers versatile and spacious accommodation throughout and benefits from a mature rear garden. While the property would benefit from some updating, it provides everything a family could need.

The house is approached via a gravel driveway leading to a double garage, with the front door opening into a welcoming entrance hall. On this level there is a dining room overlooking open fields to the front, a family bathroom, a generous kitchen/dining room, and a utility with access to the garden. The kitchen/diner provides an ideal space for entertaining, with a built-in dining area, breakfast bar, and views over the rear garden.

From the entrance hall, stairs lead down to a family room or office and a further bedroom, and up to a spacious living room with high ceilings. The living room forms the heart of the home, with large picture windows framing the front and rear aspects. The lower-level rooms would make an ideal annex or teenage space.

The first floor houses three bedrooms, all with built-in wardrobes. The principal and second bedrooms overlook the rear garden, while the third enjoys front and countryside views. The family bathroom includes a W.C., vanity basin, and walk-in shower.

The south facing rear gardens are a stunning feature of the property, offering a large lawned area, mature trees and planting, including a rare Japanese Cryptomeria, with a large patio area beneath the
