The surrounding area is renowned for its beautiful countryside, walking routes and cycling opportunities, whilst Newmarket's famous racecourses, shops, restaurants and leisure facilities are all within easy reach. Combining a welcoming village atmosphere with superb transport links and a wealth of local amenities, Red Lodge continues to be one of Suffolk's most desirable places to call home.

The property is approached via a pedestrian walkway, set back from the road to create a peaceful and private setting. Attractive planting frames the entrance, while once inside you are welcomed by a bright entrance hall finished with attractive oak-effect flooring and calming blue décor, immediately setting the tone for the stylish accommodation beyond. The hallway also benefits from a useful storage cupboard and a modern ground floor cloakroom fitted with a contemporary white suite.

Positioned to the front of the home, the kitchen has been thoughtfully designed to maximise both storage and workspace. Finished with sleek high-gloss white cabinetry complemented by contrasting dark worktops and a contemporary mosaic-effect splashback, it offers an attractive and practical environment. Integrated appliances include a Zanussi double oven with a gas hob and extractor hood above, washing machine is included as part of the sale, and space for fridge/freezer. A large front-facing window fills the room with natural light, creating a bright and airy feel.

To the rear of the property, the spacious living and dining room spans the full width of the home, creating a superb social space for relaxing and entertaining. Warm oak-effect flooring flows throughout, while neutral décor provides a versatile backdrop for a variety of furnishings. There is ample room for both comfortable seating and a dining table, with a useful study area neatly positioned beneath the staircase, making an ideal work-from-home space. French doors, flanked by full-height glazed side panels, allow natural light to pour into the room and provide seamless access onto the rear garden.

The first floor is accessed via a carpeted staircase leading to a bright landing.

The principal bedroom is an impressive double room, beautifully presented in soft neutral tones with a feature sage green wall adding warmth and character. Plush cream carpeting enhances the sense

of comfort, while two rear-facing windows provide excellent levels of natural light and pleasant views over the garden. The room offers generous proportions, comfortably accommodating a range of bedroom furniture to create a peaceful and relaxing retreat.

Bedroom Two is currently arranged as a luxurious dressing room, fitted with an extensive range of hanging rails, shelving and drawer storage. Originally designed as a second double bedroom, the room retains its excellent proportions and could very easily continue as a dressing room or be reinstated as a spacious bedroom, nursery or home office to suit the new owner's lifestyle.

Serving the first floor is the main bathroom, finished with contemporary grey tiling and a modern white three-piece suite comprising a panelled bath with a glazed shower screen and shower over, pedestal wash hand basin and WC. Rich green painted walls provide a stylish contrast to the neutral tiling, creating a space that feels both contemporary and inviting.

Outside, the south-facing rear garden has been thoughtfully landscaped to create a private and low-maintenance outdoor retreat. A generous paved terrace immediately adjoins the property, providing an ideal space for outdoor dining and entertaining, while the well-kept lawn is bordered by colourful, established flower beds that provide interest throughout the seasons. Timber fencing encloses the garden, creating an excellent degree of privacy, while a gated rear access provides convenient access to the parking area.
