Set within mature grounds of approximately 0.88 acres (STMS), The Limes is a handsome and substantial period residence occupying a wonderful position on the rural edge of Stoke Ferry. Rich in character and offering exceptional versatility, this elegant country home combines generous family living with ancillary accommodation, extensive garaging and beautifully established gardens.

The principal house offers spacious accommodation with six bedrooms, multiple bath and shower rooms, and a selection of inviting reception spaces. The drawing room, dining room and sitting room provide excellent areas for entertaining and family life, while the kitchen/breakfast room, utility, laundry room and garden room add everyday practicality. Period details, exposed beams, attractive fireplaces and garden views create a warm atmosphere throughout. A ground floor guest bedroom suite further enhances the home's flexibility, ideal for visitors, multi-generational living or accessible accommodation.

Outside, mature trees, lawns and landscaped gardens create a private and peaceful setting. An outdoor swimming pool with adjoining pool house and shower room offers the opportunity to reinstate an excellent leisure space, with the pool understood to require remediation works before use. The grounds provide ample space to entertain, garden and enjoy the surrounding Norfolk countryside.

A self-contained one-bedroom annexe offers excellent potential for extended family, guests, holiday letting or supplementary income, subject to any necessary consents.

A substantial five-bay cart lodge with adjoining workshop/storage provides extensive parking and space for classic cars, hobbies or further potential, (STP).
