The Property
Introducing No.20 Norton Street, which is a 4 bedroom, terraced, period property found in the heart of the popular market town of Knighton (Tref-Y-Clawdd) which sits directly on the Welsh/English border within the scenic Teme Valley surrounded by beautiful countryside and rolling hills as far as the eye can see.

Situated half way along this one-way street, No.20 is approximately just 300 yards from Knighton's vibrant town centre with its many independently owned facilities. Norton Street is also usefully found opposite the famous Offa's Dyke centre, which directly behind has a large play park and playing field and of course the Offa's Dyke footpath, which within a short 5 minute walk leads you straight into the picturesque countryside and alongside the River Teme.

This delightful, deceptively spacious home spans across 4 floors and is made on the ground floor of an entrance hall with stairs rising off to the first floor, a spacious living room/diner complete with a fireplace and sliding doors leading outside to the rear garden and last, but certainly not least, the kitchen/diner, which has plenty of fitted cupboards, worktop space and plumbing for appliances. Separate doors from the kitchen/diner provide access down to the useful cellar area and outside to the rear garden. Upstairs, a landing area has a stairwell leading on up to the top floor, while separate doors open into all 3 bedrooms and the sizeable family bathroom. The rear bedroom and bathroom both enjoy distant views over the town and countryside beyond. The top floor offers a versatile space which could be used as an additional bedroom, study or hobby room.

Outside, the terraced rear garden is approached from the back door or from the frontage via a neighbouring side alley. Immediately at the back

of the house finds a patio area, while the middle section is gravelled and lawned. The garden has well-defined fenced boundaries, flowered beds, mature shrubs and is a splendid area to relax within the warmer months of the year whilst enjoying the distant views across the town and towards Kinsley Wood. The bottom section is also paved for ease of maintenance. There is no designated off road parking, however, there is unrestricted parking in Norton Street, as well as a large unrestricted car park found approximately 50 yards away in neighbouring Market Street.

Overall, No.20 Norton Street could be an ideal dwelling for a variety of buyer types to include a relocating purchaser seeking to be close to the town centre facilities, a second home owner or holiday let investor located on the famous Offa's Dyke footpath or perhaps a first time buyer looking to make that all important first step onto the property ladder.
