INTRODUCTION:

Paxton Court is an elegant building of Georgian styled elevations in one of the most desirable locations along the Welsh coastline overlooking Tenby's iconic North Beach and Harbour. The development was completed in 2014 by award-winning developers McCarthy Stone and is an architecturally striking development occupying a commanding 'front-line' position within a quarter mile distance of the Town Centre amenities and the seafront of this famous coastal location. Tenby's hilltop position led to its early settlement as a Welsh stronghold, which was replaced in medieval times by a Norman Castle and walled town. Part of the town walls survive to this day and are an attractive feature at the entrance to the old town. From the early 19th century, Tenby became a fashionable holiday destination and its attractions to the holidaymaker are just as obvious today, with the fantastic beaches stretching to the north, the west, and the south of the town. Stroll the narrow cobbled streets of Tenby itself or just sit in one of the many cafes and watch the world go by.

Paxton Court is specifically designed to provide an independent living exclusively for those over 55 years of age. The development enjoys a host of facilities for the benefit of home owners not least of which is the beautiful communal lounge leading to the lovely landscaped gardens. In addition, there is a lift service to all floors, mobility scooter store, laundry room and underground secure parking. Further peace-of-mind is found in the service provided by our House Manager who oversees the smooth running of the development. In addition, there is also a 24-hour emergency call system in the apartments and communal areas. A guest suite is available to receive family and friends for which a small charge per night is made.

Paxton Court is fortunate to have a secure gated and covered car park and parking is available by an annual permit to its permanent resident (subject to availability)

It's so easy to make friends and to lead a busy and fulfilled life here; there are always plenty of regular activities to choose from including; coffee mornings, games and quiz nights, fish and chip suppers, exercise classes seasonal and themed events and even the occasional organised trips. Whilst there is something for everyone there is certainly no obligation to participate and home owners 'dip in and out' of activities or alternatively remain as private as they wish.

ENTRANCE HALL

A spacious hallway with room for typical hall furniture. Having a solid Entrance door and security peep-hole. walk-in storage cupboard with light, shelving and housing the boiler supplying domestic hot water and the Vent Axia heat recovery unit.
