This substantial five-bedroom Victorian villa in central Mid Clevedon offers elegant period features, generous accommodation across four levels and excellent scope for improvement. Occupying a highly convenient position, the property is within comfortable walking distance of Clevedon seafront along with the popular shops, cafés and restaurants of Hill Road and Alexandra Road.

Designed over three floors plus a cellar, the home boasts impressive room dimensions throughout and retains a wealth of character features including fireplaces, high ceilings and decorative cornicing. Now in need of renovation, the property presents an exciting opportunity to restore and create a superb family home.

A porch leads into a central entrance hall which provides access to the principal ground floor rooms. The living space includes a sitting room, family room and breakfast room, offering excellent versatility for modern family living. To the rear, the kitchen incorporates a utility area and provides direct access into the garden. A downstairs cloakroom completes the ground floor. Across the upper floors are five bedrooms, including a guest bedroom served by its own shower room. A family bathroom and additional cloakroom provide further convenience, while numerous storage cupboards can be found throughout the house.

The cellar houses the gas boiler and provides excellent storage space, with potential to convert into additional habitable accommodation if desired, subject to the necessary permissions.

Outside, the rear garden offers a combination of patio and lawn along with an external store. The secluded space is enclosed by mature trees and bushes, creating a private and established setting.

Parking is currently available on street, although there is potential to create off-street parking to the front by converting the existing front garden, subject to any required permissions.
