EXCLUSIVE NEW HOMES LAUNCH – 7TH NOVEMBER | Be among the first to discover our new Townhouse and Apartment Collection , discuss available homes and register your interest.

We are thrilled to present this stunning first floor, two bedroom apartment, featuring high ceilings and an abundance of natural light, in the heart of Central Southsea..
Thoughtfully restored, the property was once part of the historic St John's College, seamlessly blending period charm with modern luxury. Located within the exclusive St John's Square development, Sage House is nestled alongside beautifully landscaped gardens, and comprises just five newly converted apartments, each finished to an exceptional standard.

Accessed via a well presented communal entrance, this elegant first floor home opens into a welcoming hallway leading to a lounge and dining area with an open plan, fully fitted kitchen. Finished with Caesarstone worktops and integrated appliances, the space is perfectly designed for both modern living and entertaining.
The property further offers two generous double bedrooms, a stylish bathroom with rainfall shower over the bath, and excellent storage throughout.
