

Beechmore House, Battersea Power Station, SW11

£7,500 pcm

- Three bedrooms and two bathrooms
- 1,295 sq. ft.
- 104 sq. ft. winter balcony
- Battersea Roof Gardens
- Comfort cooling climate control system
- Exclusive residents' facilities
- Panoramic views from the rooftop garden
- Vibrant location in a highly sought-after area
- 24-hour concierge and on-site security services
- Excellent transport links for easy commuting.

This exceptional three-bedroom residence spans 1,295 sq. ft. of bright internal living space, meticulously crafted for modern elegance and effortless daily functionality by the world-famous architects Foster + Partners.

The home is washed in natural light pouring through an iconic undulating glass facade, framing views of Battersea Park and the historic Battersea Power Station. A private 104 sq. ft. winter balcony provides a serene sanctuary directly overlooking the vibrant energy of Electric Boulevard.

Residents enjoy exclusive access to an elite, impeccably presented suite of first-class amenities. This includes a state-of-the-art gym, an immersive private cinema, a private dining room, and a sophisticated residents' lounge and bar. These luxury facilities are crowned by one of London's largest communal rooftop gardens, offering stunning 360-degree skyline vistas.

Perfectly positioned above a dynamic selection of premium shops, bars, and restaurants, the development offers the perfect balance of peace and excitement. Situated moments from the River Thames and Chelsea, the property benefits from excellent local tube and rail stations for seamless travel across the capital. This is a rare opportunity to live in unparalleled luxury within London's most iconic new riverside heritage destination.
