 **Maguire Baylis**

Maguire Baylis are delighted to present to the market this charming ground floor Victorian maisonette, forming part of an unusual and attractive purpose-built development dating from the Victorian era, comprising just four individual properties.

This beautifully presented property benefits from its own private front entrance, adding to the independent 'house-like' feel that makes these homes so sought after. Internally, the accommodation flows particularly well, centred around a bright and sociable open plan living room / kitchen, fitted with modern Shaker-style units, ample work surfaces and a useful breakfast bar — perfect for both everyday living and entertaining.

There are two good size double bedrooms, together with a stylish contemporary bathroom featuring a shower over the bath. The property has been tastefully maintained throughout, creating a ready-to-move-into home that combines period character with modern convenience.

A particular feature is the direct access to the secure and attractive rear garden, offering an excellent outdoor space to relax or entertain — a rarity for apartments so close to the station.

The location is superb, set on a highly popular and convenient no-through road, just yards from local shops and Shortlands Station, providing fast and regular services into Central London. The open spaces and leisure facilities of Beckenham Place Park are also within easy walking distance, further adding to the lifestyle appeal of this lovely home.

VENDORS COMMENTS

What do we love about the property.

The garden is a peaceful oasis and gets the sun in the morning until early afternoon and then again late evening. From April - September I take my coffee in the morning in the garden and bask in a few rays before work. You can also sit at the breakfast bar and look out the window to your right and watch the parakeets feed in the garden next door. The sun then hits the main bedroom in the afternoon and lights up the bedroom through the shutters. It's a beautiful place to read, nap or just chill out. Everyone on the road is super friendly and we regularly help each other out through messages on the road whatsapp group.
