HAMLYN SMITH

A striking and beautifully presented two-bedroom ground-floor apartment, ideally positioned in the heart of Hassocks. Fully renovated throughout in 2026 and offered with no onward chain, the property combines stylish contemporary finishes with generous proportions and a highly convenient village location.

Benefitting from its own private front door, the apartment has a real sense of independence and would make a fantastic first home, investment or downsize. Positioned to the front are two well-proportioned bedrooms, including a particularly generous principal bedroom with storage. The second bedroom offers excellent flexibility, whether used as a comfortable guest room, children's bedroom or dedicated home office.

At the heart of the property is the impressive lounge/dining room, where high ceilings, a contemporary chandelier and feature fireplace give the space a wonderful sense of character. Generous proportions allow plenty of room for both relaxed seating and a dining area, while newly hung oak doors throughout add to the quality of the finish. Adjoining the living space is a stylish, newly fitted kitchen featuring attractive sage green cabinetry, contemporary work surfaces and a sink with mixer tap. Integrated appliances include an induction hob and oven, extractor, fridge/freezer and washing machine, resulting in a smart and streamlined finish.

The renovation continues into the beautifully appointed, fully tiled bathroom, complete with a bath and rainfall shower over, separate handheld shower attachment, illuminated mirror, useful vanity storage and concealed WC cistern.

Situated on Keymer Road, the apartment is superbly placed for Hassocks' excellent selection of independent shops, cafés and everyday amenities.

Hassocks mainline station is just a short walk away, with direct rail connections to Brighton in around 7 minutes, Gatwick in approximately 30 minutes and London in under an hour.

Offering approximately 657sq ft of beautifully renovated accommodation, two good-sized bedrooms, an impressive living space and the convenience of its own entrance, this stylish chain-free apartment is ready for its next owner to simply move in and enjoy.
