A Characterful Detached Cottage with Independent Annexe Spaces in the Heart of Doddington

Welcome to New Street, Doddington – a truly charming and deceptively spacious three-bedroom detached period cottage that perfectly blends character features with thoughtful modern upgrades. Set in a generous plot with mature gardens, sunny patios, and plenty of off-road parking, this is the ideal home for anyone seeking village living with flexibility for family, guests, or homeworking.

Inside the main cottage you'll find two large reception rooms with period details, painted beams, wood floors, and cosy decorative fireplaces. The living room is bright and welcoming with large sash windows and calming décor, while the separate dining room boasts beautiful parquet flooring, a feature cast-iron stove, and space for generous entertaining.

The country-style kitchen is full of character with wood counters, classic butler sink, open shelving, and beamed ceilings, leading conveniently to a utility room with further storage. A charming ground-floor bathroom features a roll-top bath, heritage-style fittings, and patterned floor tiles, completing the picture of elegant village comfort.

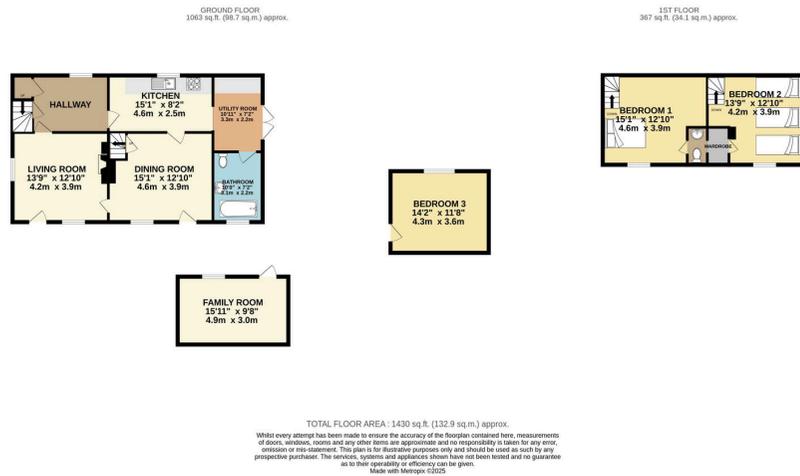

Upstairs you'll find two spacious double bedrooms with sloping ceilings, dormer windows, and rich character. Bedroom 1 has leafy garden views, and both rooms are beautifully presented with neutral, calming tones, making them the perfect retreat after a long day.

A Special Feature: Two Separate, Fully Converted Annexe Rooms
Beyond the main cottage, the property offers fantastic versatility with two independent, fully renovated spaces:

A family room (approx. 15'11" x 9'8") that's fully converted – ideal as a studio, office, games room, or for guests.

A separate, generously sized Bedroom 3 (approx. 14'2" x 11'8") with stylish décor, Velux roof window for natural light, and plenty of space
