

21 Water Street, Macclesfield, SK10 5PA

£1,100 Per Calendar Month

A beautiful stone cottage, retaining the original charm and character with a contemporary interior which is complementary to this style of property. Fully refurbished with new double-glazed windows to suit its Conservation area setting. The house accommodation comprises: a spacious living room with woodburning stove, a fitted kitchen inc gas hob, electric oven, integrated fridge with small ice box, dishwasher, and space for a washer/dryer, two bedrooms, bathroom suite with electric shower, it also benefits from a cellar providing additional storage. Uncharacteristically externally there is a large light filled out-building with power, lighting, and heating. Steps give access to a raised garden to the rear with low wall seating. Additionally an old outhouse provides bike or further additional storage. Gas central heating throughout. Part Furnished.

Located centrally in Bollington Village with easy access to local amenities including the shops, village pubs and restaurants. It is ideal for a professional or couple. Available Mid June.
