## DESCRIPTION

This spacious terraced house offers well-balanced and versatile accommodation, ideal for families, first-time buyers, or investors seeking a well-located home with excellent potential.

Upon entry, the property welcomes you with a bright entrance hallway, to the rear there is a separate, modern fitted kitchen offering ample cupboard and worktop space, designed for both practicality and everyday living. The property also benefits from modern bathroom facilities, finished to a contemporary standard.

The property can be used as a traditional three-bedroom terraced house, or alternatively configured as it is currently arranged. At present, the ground floor comprises two en-suite bedrooms, which can easily be reverted to their original use as reception rooms, subject to the buyer's preference. The first floor offers three well-proportioned bedrooms, providing flexible accommodation to suit a range of needs. Additionally, the layout allows the property to remain as two ground-floor bedrooms and three first-floor bedrooms, should a buyer wish to continue its use as a House in Multiple Occupation (HMO) subject to planning permission and consent. This flexibility makes the property suitable for family living, multi-generational households, or investment purposes.

Externally, the property features a front garden and a private rear garden, ideal for outdoor dining or family use. The rear garden also includes an outbuilding, perfect for additional storage, a workshop, or potential conversion to a home office or gym (subject to the necessary consents). Street parking is conveniently available to the front of the property.

Situated in a popular residential area, the property is conveniently located close to local amenities, reputable schools, and excellent transport links, making it ideal for commuters and families alike.

## ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

These particulars are intended to give a fair and reliable description of the property but no responsibility for any inaccuracy or error can be accepted and do not constitute an offer or contract. We have not tested any services or appliances (including central heating if fitted) referred to in these particulars and the purchasers are advised to satisfy themselves as to the working order and condition. If a property is unoccupied at any time there may be reconnection charges for any switched off/disconnected or drained services or appliances - All measurements are approximate.

**THINKING OF SELLING?** If you are thinking of selling your home or just curious to discover the value of your property, Hunters would be pleased to provide free, no obligation sales and marketing advice.
