SELLER INSIGHT

“Greenacres is a fabulous, architect-designed family property located in the heart of Smalley village. It has been the much-loved home of the current owners, Julia and Kim. Julia recalls being thrilled to discover Greenacres, as the land behind the property enabled her to keep her horses at home.

As the family grew, so did the house. With extensions to both the front and rear, it is now nearly triple its original size. Stables were added, creating stunning equestrian facilities, making Greenacres the perfect home for horse lovers.

The house is a light-filled, elegant, and comfortable home with a positive atmosphere throughout. The conservatory, which flows from the kitchen, is the bustling daily hub where the family relax, dine, and entertain. The wall of windows overlooks the garden and the paddocks beyond. Julia says she enjoys being there and watching the horses and busy bird life from the kitchen window.

Each room has its own unique character and is used and enjoyed. The “Green Room,” with its bookshelves and log burner, is a cozy retreat for curling up with a good book. Another room is currently used as a music room but could easily be converted into a study or children’s playroom. The main lounge is a chic space for family downtime or entertaining. Kim recalls family parties, fundraisers in the garden, and a music prom and film night held in a marquee.

The generous decked area in the garden is a great outdoor space for barbecues, and the lawn beyond is ideal for children’s garden games. There is even a wooden two-story castle for them to play on.

The three stables and tack room are all under cover, making them a horse lover’s dream. The paddocks are also a wildlife haven. It is not uncommon to see hares, foxes, pheasants, and flocks of swifts swooping across the field while tending to the horses.

Smalley is a friendly community-minded village with local pubs, a school, a cricket and tennis club, a village shop, and a hall. There are three golf courses nearby, and Shipley Country Park offers many walking and riding trails. The A38 and M1 are easily accessible, and Nottingham and Derby are a short drive away.

After 28 years, Julia and Kim will be sad to leave. Their family has now grown up and moved, and they feel the house needs a new family to love it as much as they have. While they will miss everything about Greenacres, they will take away many happy memories.”*
