### DESCRIPTION

Late Victorian | Non Estate Location | Chain Free | Detached Garage & Additional Garage | L-Shaped Garden | Two Reception Rooms | First Floor Bathroom | Character Features |

Situated in the ever popular Upper Horsebridge area of Hailsham, this attractive late Victorian three bedroom semi detached home occupies an L-shaped plot in a non estate position and is offered to the market chain free.

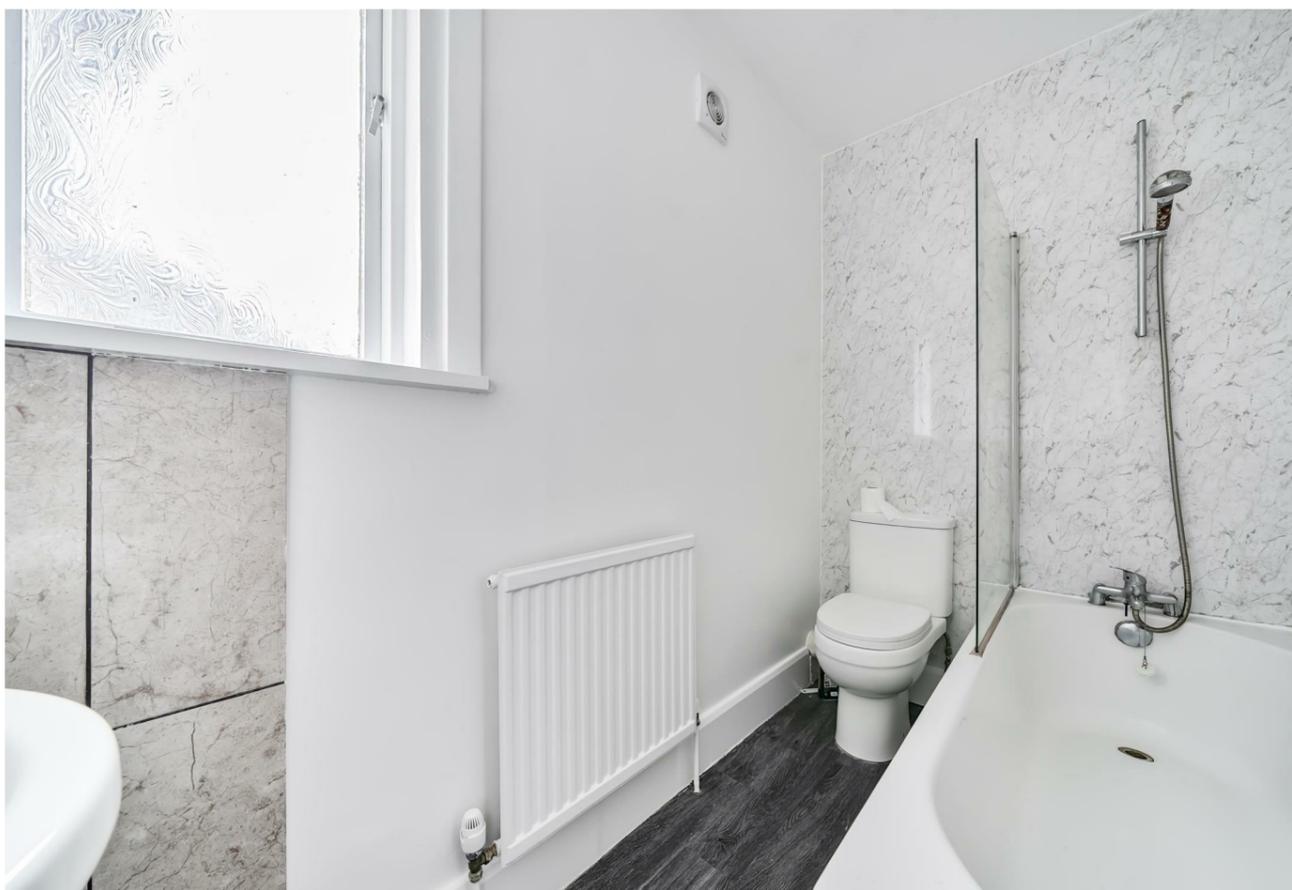

The property retains much of its charm with well proportioned rooms and high ceilings typical of the era. The ground floor provides two reception areas as one lounge-diner, giving flexibility for both formal dining and relaxed living. The living area enjoys a bay window to the front, while the dining area sits centrally and leads through to the kitchen at the rear. The kitchen overlooks the garden and provides access out to the rear.

On the first floor there are three bedrooms, including a particularly spacious main bedroom stretching across the front of the house. The remaining two bedrooms are well sized and served by a family bathroom.

One of the standout features of this home is the outside space. The rear garden is an L-shape and offers excellent potential for keen gardeners, families or those looking to extend subject to the necessary consents. The property also benefits from a detached garage as well as an additional garage.

Upper Horsebridge is a favoured location, offering a more individual setting while still being within comfortable reach of Hailsham town centre, local shops, schools and road links.

With its character, space and potential, this chain free Victorian home represents an excellent opportunity for buyers looking to put their own stamp on a well located period property.
