Accommodation

Set right in the heart of Tavistock, this light and well-presented one bedroom apartment sits on the first floor and is a great option for anyone looking for an easy-to-manage home, first-time purchase or investment.

The apartment opens into an entrance hall, with the main living space opening to the kitchen. There's plenty of natural light, and a lovely view down Russell Street from the big double glazed bay window, while the kitchen is fitted with a good range of units and worktop space.

The double bedroom is a good size with plenty of space for a double bed and wardrobes, again benefiting from a large double glazed bay window allowing plenty of natural light.

The internal bathroom is modern and has a bath with shower over, as well as a low level WC and a pedestal wash hand basin.

Situated just opposite the door to the apartment, there is a private utility/laundry cupboard with shelving and space for a washing machine and tumble dryer. There is also small storage cupboard housing the immersion heater and a larger shared store cupboard on the ground floor.

Location

Step outside and you're right in the centre of Tavistock, with its independent shops, cafés, restaurants and Pannier Market all close by. The Wharf, leisure centre and riverside walks are situated just over the road, and Dartmoor just a short drive away. The bus station is a short walk away with transport links to surrounding villages and of course to the City of Plymouth and beyond.
