"Woodcroft" is one of the most beautiful imposing houses on Newland Park. We believe the house was designed and built by the highly regarded local Architect William Botterill & Son with the visual beautiful architecture elevations, style and finish, that this firm were renowned for.

With almost 3000 square feet of versatile space, the property which has been owned for 46 years by the current family now seeks its new owners with no onward chain.

The accommodation has a decadence of style and finesse, embracing modern living yet retaining an abundance of beautiful original features you would hope to discover in such an imposing property. The property enjoys, Entrance Lobby, Beautiful Entrance Reception Room with sweeping staircase to the first floor accommodation. There are Five Reception Rooms, Modern Kitchen with a host of built-in appliances, Utility Room and second Entrance with Cloaks off.

On entering the first floor the Landing Reception provides space and light and leads to Four Double Bedrooms; the principal with Dressing Room and En-suite Shower Room. House Bathroom with separate WC and additional Guest Bathroom which serves one of the bedrooms.

Twin electric gates lead to parking on the half moon driveway for numerous vehicles, and the larger than average garage with electric door.

The gardens are simply beautiful, being of a well maintained, established appearance offering privacy and vast outdoor space.

This property is one of the most beautiful homes we have had the pleasure of listing to which an internal viewing is an absolute must to fully appreciate the wealth of living "Woodcroft" has to offer. This house really is extremely special.
