Description

Upon entering, you are welcomed into a spacious reception and dining room that stretches the full depth of the house. Measuring approximately 23'5" x 16'3", this large living area is filled with natural light, thanks to a beautiful front bay window and rear access to the kitchen and garden. The space retains original features and offers ample room for both living and dining zones. The separate kitchen sits to the rear of the home, functional in its current layout but in need of updating. With access directly into the rear garden, it holds great potential for a modern redesign or possible extension (subject to planning permission). Upstairs, the first floor offers two well-proportioned bedrooms and a family bathroom. The principal bedroom is particularly generous at 16'3" x 12'8", again benefiting from a wide bay window and offering plenty of space for fitted storage. The second bedroom is a comfortable double, ideal for a guest room, nursery, or home office. The bathroom, while functional, would benefit from modernisation.

Outside

Externally, the rear garden is approximately 46 feet in length and provides a private and peaceful outdoor space. It is mostly laid to lawn and could be transformed into a fantastic entertaining or family area. The property also includes a detached garage, measuring 17'2" x 7'5", positioned at the rear and accessed via a shared service road, offering secure parking or useful storage.

Location

Located just a short walk from South Ruislip Station (Central Line & Chiltern Railways), the property offers excellent transport links into Central London and beyond. The A40/M40 is also within easy reach, making commuting straightforward. A range of well-regarded local schools, shops, and green spaces are nearby, contributing to the area's family-friendly reputation.
