Willow Park is an exclusive and 'pet friendly' modern development of park homes by Killarney Homes for the over 45s. The homes have been specifically designed to ensure low carbon footprint lifestyles, built with eco credentials such as double the insulation of a standard home and all water supplied to the homes is sourced directly on site from its own natural spring, providing very affordable water rates. There is a golf course close-by and Calverton village is just down the road, with a precinct offering a good choice of local retailers, including a Sainsbury's Local and a selection of pubs and restaurants.
