DESCRIPTION

Hunters are delighted to present this versatile mixed-use property, offering an excellent opportunity for investors or owner-occupiers. Comprising a spacious ground floor shop unit and a self-contained one-bedroom maisonette arranged over two floors, the property also benefits from a low-maintenance rear yard, with the maisonette furniture included in the sale. The current owners have successfully operated the maisonette as a holiday let, generating approximately £12,000 per annum, while the shop offers potential for conversion into an additional apartment, subject to the necessary consents and any applicable permitted development rights.

This property is for sale by the Modern Method of Auction, meaning the buyer and seller are to Complete within 56 days (the "Reservation Period"). Interested parties personal data will be shared with the Auctioneer (iamsold). If considering buying with a mortgage, inspect and consider the property carefully with your lender before bidding.

A Buyer Information Pack is provided. The winning bidder will pay £349.00 including VAT for this pack which you must view before bidding.

The buyer signs a Reservation Agreement and makes payment of a non-refundable Reservation Fee of 4.5% of the purchase price including VAT, subject to a minimum of £6,600.00 including VAT. This is paid to reserve the property to the buyer during the Reservation Period and is paid in addition to the purchase price. This is considered within calculations for Stamp Duty Land Tax.

Services may be recommended by the Agent or Auctioneer in which they will receive payment from the service provider if the service is taken. Any payment that will be received by the Agent or Auctioneer will be confirmed to you in writing before services are taken. Services are optional.
