

Rickerscote Road

Stafford, ST17 9ET

A particularly attractive traditional semi-detached house which occupies an impressive and spacious plot with mature gardens. The property provides scope for refurbishment and there is spray foam insulation in the loft which may prevent interested parties from obtaining a mortgage and therefore appealing to “cash buyers”.

£225,000

John German

A canopy porch gives access to the reception hall which has stairs rising to the first floor.

The spacious and extended lounge has a log effect fire (we cannot confirm this is in safe and working condition) and double French style doors opening to the garden.

A separate dining room has a front facing bay window.

The galley style kitchen has a range of units and a double bowl sink and drainer.

To the first floor the landing has a spacious walk-in store and loft access to the roof space which also houses the gas boiler.

There are three bedrooms and a bathroom with bath, wash basin and w.c.

The house stands well back from the road beyond an established garden and a generous sized drive. Wrought iron gates open to the side carport which in turn gives access to the garage and workshop. There are mature rear garden areas with established beds, an ornamental pond and a greenhouse.
