The Wadswick is a rare opportunity to acquire a substantial, beautifully designed new home where luxurious finishes meet sustainable living. Set within The Old Glove Factory – a thoughtfully conceived development of just six homes on a site steeped in local history, this is a home of genuine distinction: over 2,600 sq ft of light-filled accommodation, a double garage, and beautifully landscaped gardens, built to the highest standards of modern craftsmanship. Step through the welcoming entrance hall and the quality of The Wadswick immediately makes itself known. Underfloor heating flows throughout the entire home, controlled room by room via individual thermostats, or effortlessly managed via a smartphone app, creating a warmth and comfort that is rarely found even at this level of the market. At the heart of the ground floor is a spectacular open-plan kitchen and living area, an expansive space that's ideal for both everyday family life and stylish entertaining. The Masterclass kitchen is an installation of the highest order: Quartz waterfall worktops, Hansgrohe taps, integrated appliances by Neff, and premium fittings throughout. A separate utility room keeps the practicalities neatly tucked away. A generous sitting room provides a more intimate reception space, while a dedicated home office and a ground-floor cloakroom complete the lower level. Step outside and the rear garden has been beautifully prepared: fully turfed and centred around an extensive sandstone patio, the perfect setting for al fresco dining through the seasons. Upstairs, five well-proportioned double bedrooms are served by a family bathroom finished with premium Villeroy & Boch sanitaryware. The principal bedroom is a genuinely impressive retreat: fitted wardrobes and a private en-suite ensure a hotel-quality experience at home. A second en-suite serves bedroom two, a thoughtful arrangement that works effortlessly for families or visiting guests.
