Vendors Comments

It is so peaceful and quiet here surrounded by fields and woodlands. We sit on the west patio with our morning coffee watching the sun rise over the fields; the odd bicyclist or jogger passing by, listening to nothing but the morning birdsong. We watch the rabbits frolicking in the fields while we prep food in the kitchen, or the squirrels scampering up the trees while we lounge in the conservatory.

We use the conservatory all year and enjoy noisy family meals in there (Christmas Ev, Christmas day, Boxing day, Easter, Mother's day, birthday, bank holiday..... in fact any excuse the kids, their partners, and the grandkids can think of to come visit including: time to harvest the cherries/apples/plums/raspberries/strawberries). While we spend long summer days lazing in the privacy of the gardens, our favourite time is getting cozy by the log burner on cold snowy nights.

Despite the tranquil rural setting, we have a wide range of urban amenities on our doorstep (supermarkets, independent shops, pubs, doctors, dentists and schools etc in Bolsover (5 mins) and Clowne (7 mins). In addition, we are just 11 mins from the M1 (Junctions 29, 29a, 30), which is perfect for the work commute.

We feel very, very, lucky to have lived here for over a decade and will be extremely sad to leave.
