Occupying a superb position within The Elms, a sought-after and locally recognised development in Wraxall, and just 1.5 miles from Nailsea & Backwell Station, this rarely available 'Arran' style four-bedroom detached family home offers generous and flexible accommodation, including an enlarged kitchen/dining room created by the partial conversion of the original double garage.

The property is light and airy throughout and has been thoughtfully arranged to provide flexible and comfortable accommodation. Upon entering, there is a welcoming entrance hall with a convenient downstairs WC. The sitting room is a particularly good size and centres around an attractive fireplace, creating a warm and relaxing living space. The ground floor is a particular strength of the house, with a separate study/home office, useful utility room and an enlarged kitchen/dining room created by the partial conversion of the original double garage, providing an excellent layout for modern family life and home working.

Upstairs, there are four well-proportioned bedrooms. The principal bedroom benefits from an en-suite shower room with walk-in shower, while two further bedrooms feature built-in wardrobes. The remaining bedrooms offer ample space for freestanding furniture and are serviced by the family bathroom, featuring a bath with mixer tap and hand-held shower attachment.

Externally, the south-facing rear garden provides a peaceful and private setting, with a wisteria-bounded patio and several seating areas from which to enjoy the sun throughout the day. The generous single garage can be accessed both from the driveway and directly from the garden, while the driveway itself provides ample off-road parking.

What we love about the property...

22 Elm Lodge Road combines generous and flexible accommodation, excellent natural light, a peaceful south-facing garden and a superb position within The Elms, one of Wraxall's most sought-after residential settings. One of the particular strengths of the house is its position within The Elms, with the principal front-facing windows enjoying an attractive outlook over landscaped planting opposite and a greater sense of privacy than many homes on the development.
