An attractive archway leads through to the dining area, creating an open yet defined entertaining space ideal for both everyday living and hosting guests.

The kitchen is a standout feature of the home. Recently refitted, it offers sleek high gloss cabinetry, marble effect work surfaces and integrated appliances including double ovens. To the rear, the impressive conservatory spans the width of the property. Flooded with natural light from wraparound glazing and a vaulted ceiling, it provides an additional reception room with direct access to the garden, perfect as a year round sitting area.

There are three well proportioned bedrooms. The principal bedroom benefits from dual aspect windows and planning approved for an ensuite extension, while the additional bedrooms offer flexibility for family, guests or hobbies. The former garage has been thoughtfully adapted to provide a study, ideal for those working from home, while retaining useful storage space to the front.

The property also benefits from a stylish modern shower room and a separate WC for added convenience.

Throughout, the home is exceptionally well maintained and presented to a high standard.

The Outside

To the front, a driveway provides off road parking and access to the garage storage area. The attractive brick façade and landscaped frontage create strong kerb appeal.

The rear garden is private and beautifully maintained. A curved brick pathway adds character, leading through lawned areas and established planting. There is a patio seating area ideal for outdoor dining and a composite shed with power for additional storage. The garden offers a pleasant outlook and a good degree of privacy.
