Bedrooms: 3 | Bathrooms: 1 | Receptions: 1

Nestled in the Red House Farm Estate, this three-bedroom mid-terrace home presents a fantastic opportunity for those seeking a spacious family residence with potential for modernisation. Offered with no onward chain, this property allows for a smooth purchase, making it an ideal canvas to create a truly personalised living space. Upon entering, you are greeted by a full-depth living and dining room, a bright and inviting space perfect for both relaxation and entertaining, with double door access leading directly to the South-facing garden. The ground floor also features a kitchen/breakfast room, offering a practical space for everyday living and a convenient ground floor WC. The first floor hosts three well-proportioned bedrooms, providing comfortable accommodation for a growing family. A family bathroom completes the upstairs layout. While the property is in need of modernisation throughout, it offers a solid foundation and generous room sizes, allowing new owners to update to their taste and add significant value. On-street parking is available. Situated within reach of various schooling options and a local convenience store, this home benefits from being close to local amenities, ensuring everyday essentials are easily accessible. With 999 sqft of internal space, this home offers excellent scope to create a modern and comfortable family haven.
