Kiln Lane

Dickens Heath

Offers Around £700,000

Description

Dickens Heath can be found approximately two miles from Shirley town centre and four miles from Solihull town centre. The former farmland has been developed over the last two decades by a number of house builders to provide a modern residential development centred around a High Street and village green.

Kiln Lane is situated on the fringe of the village and benefits from the close proximity of open countryside and the canal, where canal side walks will take you through to Birmingham Centre and Earlswood Lakes. The village itself boasts its own junior and infant school, and secondary education can be found at nearby Solihull secondary schools, including Light Hall and Alderbrook. Education facilities are subject to confirmation from the local Education Department.

The main shopping centre of nearby Shirley offers a wide choice of supermarkets, convenience and speciality stores, restaurants and hostleries, and there are frequent bus services along the A34 into Birmingham city centre and Solihull town centre boasting the vibrant and modern Touchwood Development offering shopping facilities and evening entertainment.

Shirley has its own train station in Haslucks Green Road, providing a service to Birmingham city centre and Stratford-upon-Avon and also close to the village is Whitlocks End Railway Station which also provides a service to these destinations.

Off the main Stratford Road leads Marshall Lake Road boasting the Retail Park, and further down the A34 one will find the Cranmore, Widney, Monkspath and Solihull Business and leisure park, and onto the Blythe Valley Business Park, which can be found at the junction with the M42 motorway, providing access to the midland motorway network. A short drive down the M42 to junction 6 will find National Exhibition Centre and Birmingham International Airport and Railway Station.

Kiln Lane was originally constructed by David Wilson Homes and this impressive detached house is situated in a pleasant position adjacent to pedestrian access which leads back onto Rumbush Lane. Being the only one of this house type on the development the property offers deceptive accommodation that extends to approximately 2000 square feet in total and is finished to a high standard throughout and requires internal inspection to be appreciated.
