### "AGENT'S COMMENTS"

*This once quite grand three bedroom house sits on a large plot of 0.22 acres set to gardens to both the side and rear and requires full renovation to once again provide a sizeable family home. With three reception rooms and double height central hallway, two bathrooms, one to each floor, and a large garage/workshop and driveway, the property benefits from gas central heating and has mostly wooden windows. Located in a popular village location and within easy walking distance of the local shop, Post Office and filling station, this property is brought to the market with no onward chain and is crying out for a new lease of life from a keen renovator/developer!*
