Outside

To the front of the property there is off-road parking for one vehicle positioned directly in front of the garage, complemented by an additional allocated parking space located opposite. The main entrance door is situated at the front of the house and is enhanced by raised planters, adding an attractive decorative feature. Gated side access provides convenient entry to the rear garden.

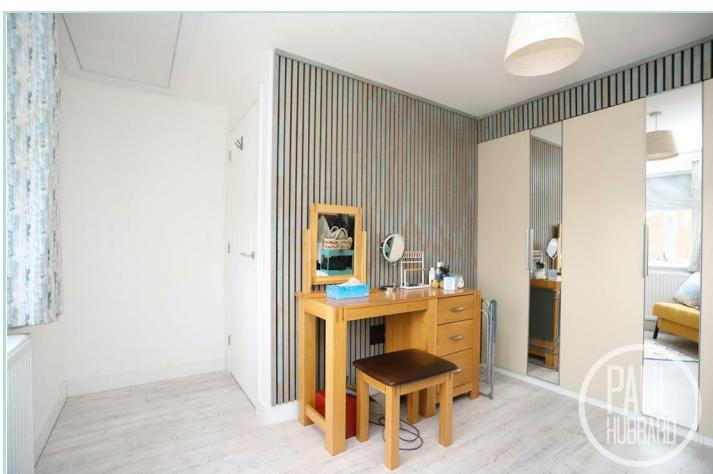

The rear garden is thoughtfully designed for both relaxation and entertaining. A patio area sits beneath a timber-framed pergola with a roof, creating an ideal space for a table and chairs. The garden benefits from outdoor sockets and lighting, an artificial lawn for low-maintenance enjoyment, and well-stocked borders featuring plants and shrubs. Additional features include a pond, a decorative patio area ideal for displaying potted plants, and a dedicated space perfectly suited for a barbecue or outdoor dining. The garden is fully enclosed by panel fencing, with gated access completing this private and versatile outdoor space.

Garage

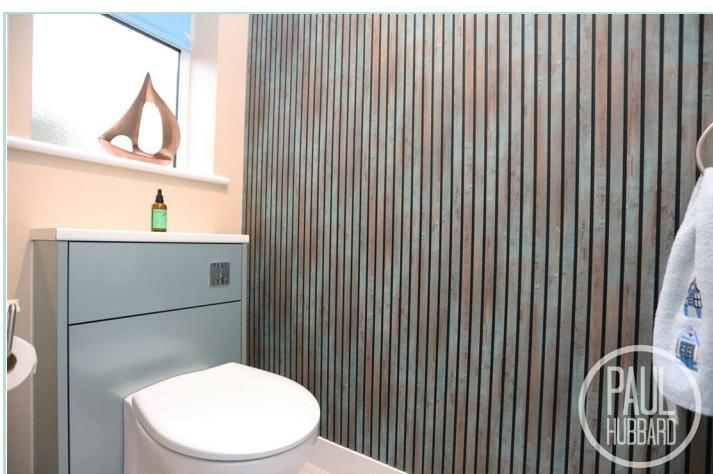

7.86 x 2.92

The integral garage offers generous space suitable for multiple vehicles or ample storage. It is equipped with an electric roller door to the front, an EV charging point, consumer unit, and benefits from both power and lighting.
