A well maintained three bedroom chalet bungalow

Located in Northwood, this deceptively spacious home has a large sitting room, kitchen/diner, wrap around gardens with parking for 5-6 vehicles. There is also a garage, with additional parking, that could (STPP) become additional accommodation or a garden office and is accessed from the south facing garden. This versatile property has a lot of potential to extend up/outwards or adapt outbuildings, STPP, and comes with the benefit of being CHAIN FREE.

Interior

This modern home has been under the current owners tenure for 25 years and has been very well kept. Stripped floorboards flow between the hallway, the principal bedroom and the sitting room and it is light and airy throughout the property.

Ground Floor:

The wide hallway leads to all rooms in this ample property with two generously sized double bedrooms at the front of the home, with the principal having painted stripped floorboards and the other with built in sliding wardrobes. The bathroom is fully tiled and has a bath and separate walk in shower cubicle, basin and WC.

At the rear is a large sitting room with a gas 'log burner' fire upon a stone hearth and double doors opening to the garden.

The kitchen diner is a generous size, with enough room for a family sized dining table, and has a range of wooden wall and base units within which is a large range cooker, extractor fan and dishwasher.

Through a rear door is a porch area leading to both the garden and a utility room with space and plumbing for a washing machine and further storage.

First Floor:

Accessed from an open tread staircase there is a versatile room currently used as a double bedroom.

At the top of the stairs on the left, is a door leading to undereaves storage and further on are three built in cupboards and access to another under eaves storage space. This good sized room could be used as a separate sitting area/snug or an office/study.

Exterior

At the fore of this modern property, with a storm porch, there are smart iron railings and a shingle driveway that can park 5-6 vehicles. There is side access on both sides of the property with plants and shrubs dotted within the flowerbeds. The rear south facing garden has a beautiful array of mature flowers and bushes, giving it a 'country cottage' feel. There is a large lawn and a patio that is the width of the house, this gives a great area for relaxed outdoor socialising and dining. This lovely enclosed outside space has the bonus of an outside WC and is safe and secure, being a great spot to enjoy the bird song and to relax. Across from the garden is a separate garage that has power and light and the driveway leading to it gives a further two parking spaces. This would be an ideal storage space or workshop and, STPP, could be converted into a garden office, working from home salon or annexe for family member or friends.

Cowes/Northwood

Northwood is between Cowes and Gurnard and has many fabulous rural walks, with two country pubs, a garage, small local shop, primary school and is a short drive to both Cowes and Newport.

It is within a couple of miles of Cowes, which is rich in nautical heritage and an international mecca for sailing, culminating in Cowes Week held in August each year. It has quick access to Southampton via the more modern Red Jet as well as many marinas and sailing clubs dotted along the waterfront.
