The opposite side offers two further double bedrooms, both benefitting from en-suite facilities. Bedroom one and bedroom four feature fitted wardrobes, while the wardrobes in bedroom two are also set to remain. This split layout makes the property particularly well suited to multi-generational living, visiting guests, or families seeking additional privacy.

Externally, the property continues to impress, with a well-maintained rear garden stocked with colourful flowers, mature shrubs and planted borders, alongside a generous lawn and paved patio seating area. There is also a useful outbuilding with power and lighting, offering excellent potential as a workshop, hobby room, garden office or additional storage.

The property also benefits from 12 solar panels with a 7kw battery, allowing energy to be generated and stored for later use, helping to reduce electricity usage and lessen household bills. An EV point is installed too, adding further convenience.

With spacious accommodation, excellent parking, attractive gardens and a flexible layout, this Althorne home offers a wonderful balance of practicality, comfort and countryside-style living
