Outline planning was passed in August 20th 2024 for four detached units. The application is a combination of two garden spaces between two separate owners which will be combined for the development.

There is power located at the rear of the site with water and drainage nearby. It would be down to the buyers to make their own investigations into services capacity.

The potential buyers would own the private access with one of the original properties called The Junipers. The buyers will own the access with The Junipers have a full right of access in place.
