Premium Let Listing:

Primrose Cottage is a charming residence built in 1890 set in approximately an ACRE of beautifully maintained gardens set in Upwey betwixt Weymouth and Dorchester. This character home has recently been refurbished, offering generous internal accommodation across two floors, complemented by a double garage with a pitched roof. Period features are tastefully blended with modern comforts, providing a unique and spacious rural retreat.

The ground floor opens into a hallway leading into a well-proportioned dual-aspect living room, offering views across the garden and ample space for relaxing or entertaining. Opposite, the kitchen and dining room forms the heart of the home, fitted with a midnight blue contemporary kitchen with striking copper fittings making this a fabulous space with a selection of integrated appliances and a central island. The kitchen also provides access to a ground-floor WC and utility area, also providing a rear garden entrance, ideal for day-to-day convenience. At the end of the hall, a large and bright sitting room with a feature fireplace and log burner with French doors opening out to the garden, creating a seamless connection to the outdoor space.
