ACCOMMODATION

Upon entry, you are welcomed by a spacious sitting/dining room boasting an eye catching inglenook fireplace with integrated lighting, which creates a warm and inviting atmosphere. A distinctive beam is the centrepiece of this cosy room and adds an abundance of charm along with other character features throughout the property. This flows directly into the sympathetically updated kitchen, with a tiled floor and an outlook of the beautiful rear garden. The kitchen comprises of a range of quality wall and base mounted units with wooden countertop, ceramic sink and integrated appliances including electric oven, 4-ring gas hob, dishwasher and space for a free standing fridge freezer and washing machine undercounter. Completing the ground floor, is a useful storage cupboard under the stairs with a light.

Rising to the first floor, the two generously sized double bedrooms overlook the front. Both rooms enjoy original floorboards, partially exposed brickwork and vaulted ceilings making them feel light and airy. The main bedroom also includes an attractive cast iron Victorian fireplace. The bedrooms are served by a charming bathroom with a free standing shower roll top bath on ball and claw feet with glass screen, basin & w.c.

OUTSIDE

The sunny rear garden is mainly laid to lawn and planted with border shrubs and flowers. A path runs to the terrace surrounded by iron railings, where the calm and quaintness of the River is very tranquil indeed. Many hours can fly by watching kingfishers, swans, ducks, deer on the island and visiting otters! Steps lead down to the river patio and for fishing enthusiasts, the Stour has numerous fish specimens, both course and game, including some large Pike. The garden also has a useful storage shed.
