AN INDIVIDUALLY BUILT DETACHED HOME OFFERING ANNEXE POTENTIAL ALSO BENEFITTING FROM STUNNING BACKDROP ONTO BREDON HILL

Occupying a wonderful position with breath-taking views towards Bredon Hill, Ding Cottage is a beautifully crafted detached home, individually built by the current owners less than ten years ago. Extending to over 2,400 sq. ft. of versatile accommodation, this exceptional property combines modern family living with flexible ancillary space, making it ideal for multi-generational living, working from home, guest accommodation, or potential Airbnb income.

The accommodation comprises an entrance porch, a spacious kitchen/dining room with central island, a comfortable lounge with feature fireplace, utility room, and cloakroom. Upstairs are three generous double bedrooms and a family bathroom. The impressive principal bedroom features vaulted ceilings with exposed oak beams, an en-suite shower room, and a private balcony perfectly positioned to take in the stunning views.

A significant advantage of the property is the former double garage, which has been expertly converted into a self-contained one-bedroom annexe. Offering excellent flexibility, this space could serve as independent accommodation for a relative, a home office or studio, or provide a valuable income stream as a holiday let or Airbnb, subject to any necessary consents.

Externally, the property continues to impress. There is ample off-road parking provided by two separate driveways, one of which is gated, offering additional security for vehicles, caravans, or trailers. The beautifully landscaped rear garden has been thoughtfully designed to maximise enjoyment of its picturesque setting, featuring a charming garden bar, seating and entertaining areas, well-stocked borders, a variety of mature shrubs, and an array of fruit trees.

Combining a beautiful setting, flexible accommodation, and modern construction, Ding Cottage offers a rare opportunity to acquire a distinctive home.
