This delightful home is approached via a gate and enjoys an attractive frontage. A welcoming entrance leads directly into a well-proportioned kitchen/breakfast room—an ideal space for both family life and entertaining. The kitchen is fitted with an extensive range of wall and base units complemented by a central island. Integrated appliances include an electric oven and hob, along with a built-in dishwasher, while there is ample space for a freestanding fridge/freezer. French doors open out to the front of the property, drawing in natural light.

A useful pantry cupboard and utility room are accessed from the kitchen, the latter housing the oil-fired boiler and providing space for additional white goods. A ground floor shower room lies beyond. The slate flooring continues through to the spacious sitting/dining room, which enjoys a dual aspect and is centred around a wood-burning stove.

On the first floor, a central landing gives access to three bedrooms—two well-proportioned doubles, one with built-in storage, and a third small double bedroom—ideal as a home office or nursery. The family bathroom is tastefully appointed with a panelled bath, separate shower enclosure, WC and vanity unit.

The outside space has been carefully designed for ease of maintenance, featuring gravel throughout and a raised decked area, beautifully complimented by established planters. A generous wooden shed provides excellent storage alongside a dedicated log and bin store. The property also benefits from private parking.
