HIGHLY IMPROVED & EXTENDED THREE-BEDROOM SEMI-DETACHED HOUSE

A highly attractive and substantially improved four-bedroom semi-detached house, which has been considerably enhanced and extended by the present owners to create a spacious and versatile family home.

The property is presented in excellent order throughout and benefits from a loft conversion, providing an impressive master bedroom with en-suite shower room, together with three further bedrooms.

The ground floor has also been extended to provide a useful utility room and downstairs cloakroom, while the rear conservatory provides an additional reception space with views over the garden.

Outside, the property benefits from an enclosed rear garden, featuring a decking and a sun terrace, providing an excellent space for outdoor entertaining and relaxation. To the front is a double-width driveway with parking for several vehicles.

The property is conveniently situated for Crawley Town Centre, local schools, shops and other amenities, making this an ideal home for families and commuters alike.

In our opinion, this is a particularly well-presented home which has been significantly improved by the current owners. An internal viewing is highly recommended to fully appreciate the quality, space and standard of accommodation on offer.
