Additionally, the town benefits from robust road links, particularly to Junction 3 of the M2, providing easy access to both London and the picturesque Kent coast.

What the owner says.....

Princes Avenue has been so much more than just a house to us—it has been a home filled with love, laughter, and unforgettable memories. As our second home, we poured our hearts into a full renovation and restoration, creating a space where family and friends could come together for countless summer gatherings and cosy winter celebrations. It's also the home we proudly brought our son back to, finally making it our true family home. One of its most special features is the garden, a firm favourite that enjoys plenty of sunshine and provides a peaceful backdrop for relaxing, entertaining, and making memories. Princes Avenue will always hold a very special place in our hearts, but as a new venture now calls, it's time for another family to begin their own story here.
