From the moment you step inside, the charm is evident. The inviting sitting room features a multi-fuel stove set into the chimney breast, complemented by warm finishes and thoughtful detailing. The heart of the home is without doubt the stunning dining kitchen, a beautifully designed space with high-gloss cabinetry, sleek granite-effect work surfaces and an impressive range-style cooker set within a feature recess. A central island with seating adds a sociable flair, while direct access to the basement and rear make this both a practical and stylish hub for everyday living.

The first floor offers two excellent double bedrooms, alongside a luxurious bathroom with contemporary fittings, rainfall shower and elegant finishes that bring a touch of spa-like indulgence. Rising to the second floor, a spacious attic bedroom with Velux window provides a perfect retreat, brimming with light and versatility.

Outside, the generous rear yard is fully enclosed with timber fencing and includes a useful timber shed—ideal for outdoor storage or a creative garden space.
