NO FURTHER CHAIN! '3 Western Street' is an attractive, natural stone, end of terrace house (1729 square feet) dating back to 1888 and occupying a large level plot and gardens extending to a fifth of an acre (0.20 acres approximately). The main rear garden boasts sunny easterly and southerly aspects plus lovely countryside views. This deceptively spacious home is situated in the prestigious village of Over Compton on the Somerset / Dorset borders, only a short drive to the historic town of Sherborne and the mainline railway station to London Waterloo. The house requires modernisation but offers ample scope for significant extension at the side and rear, subject to the necessary planning permission. It is enviably free from the restrictions of Grade II listing. The house boasts private driveway parking at the side, leading to outbuildings and a garage. There is potential and space to add a large double garage or carport, subject to the necessary planning permission. The house benefits from uPVC double glazing and oil fired radiator central heating. The highly flexible accommodation enjoys a good level of natural light and comprises entrance reception hall, sitting room, dining room, kitchen / breakfast room, ground floor shower room / WC and rear lobby. On the first floor, there is a landing area, three double bedrooms and a large first floor bathroom. There are some top village pubs a short drive away as well as being within walking distance of some fabulous countryside walks – ideal as you do not need to put the dogs or the children in the car! This house is set in a desirable residential address in one of the most popular villages in this part of Dorset. Sherborne town centre is a short drive away and has a boutique high street and cafes, restaurants, Waitrose store and independent shops and schools. VACANT - NO FURTHER CHAIN.
