A fantastic opportunity to acquire a spacious four bedroom Victorian terrace, offering generous accommodation across three floors, plenty of original character and the chance to make a lovely home your own. Situated on Steade Road in the popular S7 area of Sheffield, this attractive property is presented in generally good condition throughout, with some areas offering scope for further modernisation to suit individual tastes. Offered for sale with no onward chain and benefiting from freehold tenure, it is a brilliant prospect for anybody looking for a traditional home with plenty of space.

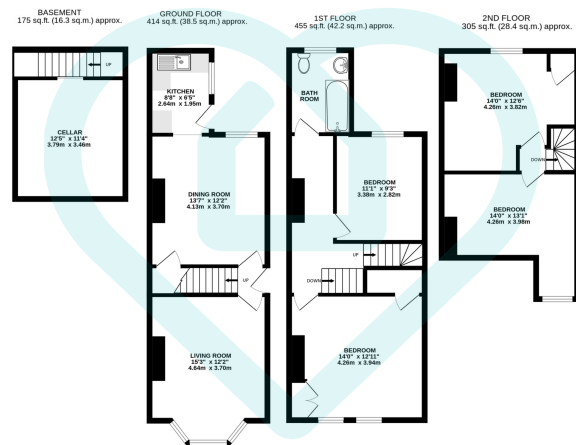

Stepping inside, the property immediately showcases the proportions associated with homes of this era. The front facing living room is a lovely space, with a large bay window allowing plenty of natural light to fill the room, decorative coving and an attractive fireplace adding a touch of traditional character. Moving through the ground floor, a separate dining room provides another generously proportioned reception space, featuring a charming exposed brick archway and offering plenty of room for family dining or entertaining. To the rear sits the kitchen, fitted with a range of wood effect units and providing access to the outside. The property also benefits from a useful cellar, offering additional storage away from the main living accommodation.

The first floor continues to impress, with a particularly spacious front bedroom featuring two windows, fitted storage and plenty of room for additional furniture. A further bedroom sits towards the rear, alongside the family bathroom, which is fitted with a three piece suite including a bath with shower above. Both bedrooms offer good proportions, with the smaller room equally capable of accommodating a home office or nursery if preferred.

A further staircase leads to the second floor, where two additional bedrooms provide excellent flexibility. Both rooms are generously sized, with the characterful rooflines, exposed beams and natural light adding to their appeal. Whether used as additional bedrooms, guest accommodation or dedicated working spaces, this upper floor makes the property particularly versatile.

Outside, the property benefits from an enclosed rear courtyard

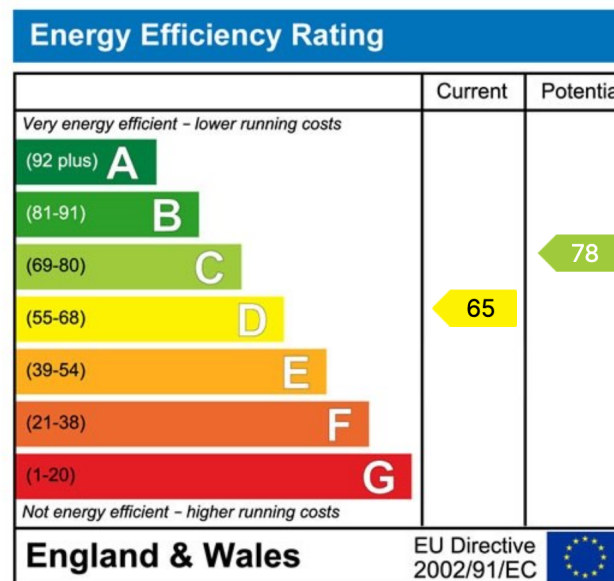

This floor plan is for illustrative purposes only. All measurements and layouts are approximations and do not necessarily capture the precise specifications of the property. No responsibility is taken for any error, omission, or misstatement. We always recommend viewing in person to confirm the exact floor plan of a property. Made with Metropix.
