- Viewing Highly Recommended
- 3 Double Bedrooms
- Utility & Ground Floor Cloak Room
- Southerly Rear Aspect
- Popular Location

An excellent opportunity to purchase a tastefully presented detached contemporary home completed by Barratt Homes in 2021 to a well thought out design which provides three double bedrooms, the principle of which offers ensuite facilities, and separate family bathroom. To the ground floor a part open plan living/dining space links through into a tastefully appointed fitted kitchen and, in turn, a useful utility space with ground floor cloak room off. The property also benefits from a part conversion of the garage to provide a further utility area which, subject to consent, could offer further scope for full conversion into maybe a home office or similar reception type space but in its current guise provides an excellent storage/utility area.

In addition the property is neutrally decorated throughout, benefits from UPVC double glazing and gas central heating and occupies a pleasant south facing plot with a double width driveway. The remainder of what was the former garage provides a useful workshop/storage space. To the rear of the property is a pleasant south facing rear garden which is mainly laid to lawn but having an initial decked seating area and a further gravelled seating area at the foot. The majority of the garden is laid to lawn and is enclosed with feather edged board fencing, having established borders and a picket fence enclosed area which has previously utilised as a dog run but of course could be opened up back into the main garden.

Overall this is an excellent opportunity to purchase a modern, tastefully presented and versatile home within this popular development.

ADDITIONAL NOTES

We are informed the property is on mains gas, electric, drainage and water (information taken from Energy performance certificate and/or vendor).

The Vendor has informed us that at the time of instruction, the current service charge for the communal areas of the development are £107.84, paid half yearly (i.e. £53.92 x 2)). Please note that this could be subject to review.

The garage was sub-divided with a stud wall in 2023. We understand this shouldn't be considered as a "habitable space" and would be relatively straight forward to return the garage back to its original layout.
