Former NHS Depot Wilfred Place

Hartshill, Stoke-On-Trent, ST4 7LL

Asking Price £495,000

Description

The property comprises a former NHS depot consisting of office, warehouse and carpark. The ground and first floor office building, is located to the front of the site, and leads into the warehouse at the rear with access onto the carpark. Stairs lead to the first floor where there are effectively four further offices.

Gates lead into the main site which has a number of buildings running along the northern boundary of brick construction with slate covered roofs and skylights. We believe that the buildings provide open space with double timber door access. We believe there is also some first floor accommodation within the buildings.

Location

Wilfred Place is located off Queens Road in the Hartshill area of Stoke-on-Trent. Queens Road provides access onto Hartshill Road which connects Stoke Town Centre with Newcastle-under-Lyme Town Centre. The property is also approximately half a mile away from Royal Stoke University Hospital and is a short drive to the A500.
