This is a truly unique Luxury Family Home just 10 Minutes from the historical North Yorkshire Coastal town of Whitby and looked over by the North Yorkshire Moors. 4 Bedrooms, Three Bathrooms, Bespoke Kitchen and an original stained glass window as a focal point. St Bartholomew's Church in Ruswarp has been renewed into a special family dwelling.

The Nave is far more than a conventional four-bedroom home. It is a remarkable piece of Victorian architecture that has been given a new life as a spacious family home while retaining the character, craftsmanship and sense of occasion of St Bartholomew's providing a spacious and beautifully appointed contemporary home in a stunning location.

An exceptional four-bedroom Grade II listed church conversion combining dramatic Victorian architecture with beautifully considered contemporary living, private gardens and parking, just minutes from Whitby and the North Yorkshire coast.

The Nave forms part of the historic St Bartholomew's Church in the heart of the village of Ruswarp and represents a rare opportunity to own a genuinely individual home. Dating back more than 150 years and sensitively converted in 2025, the property retains the scale, character and craftsmanship of the original building while providing the comfort, specification and practicality expected of a modern family home.

Beautiful and original stained-glass and leaded windows, carved stonework, soaring ceilings and dramatic double-height spaces have been carefully incorporated into the design, creating an extraordinary sense of light and volume throughout.

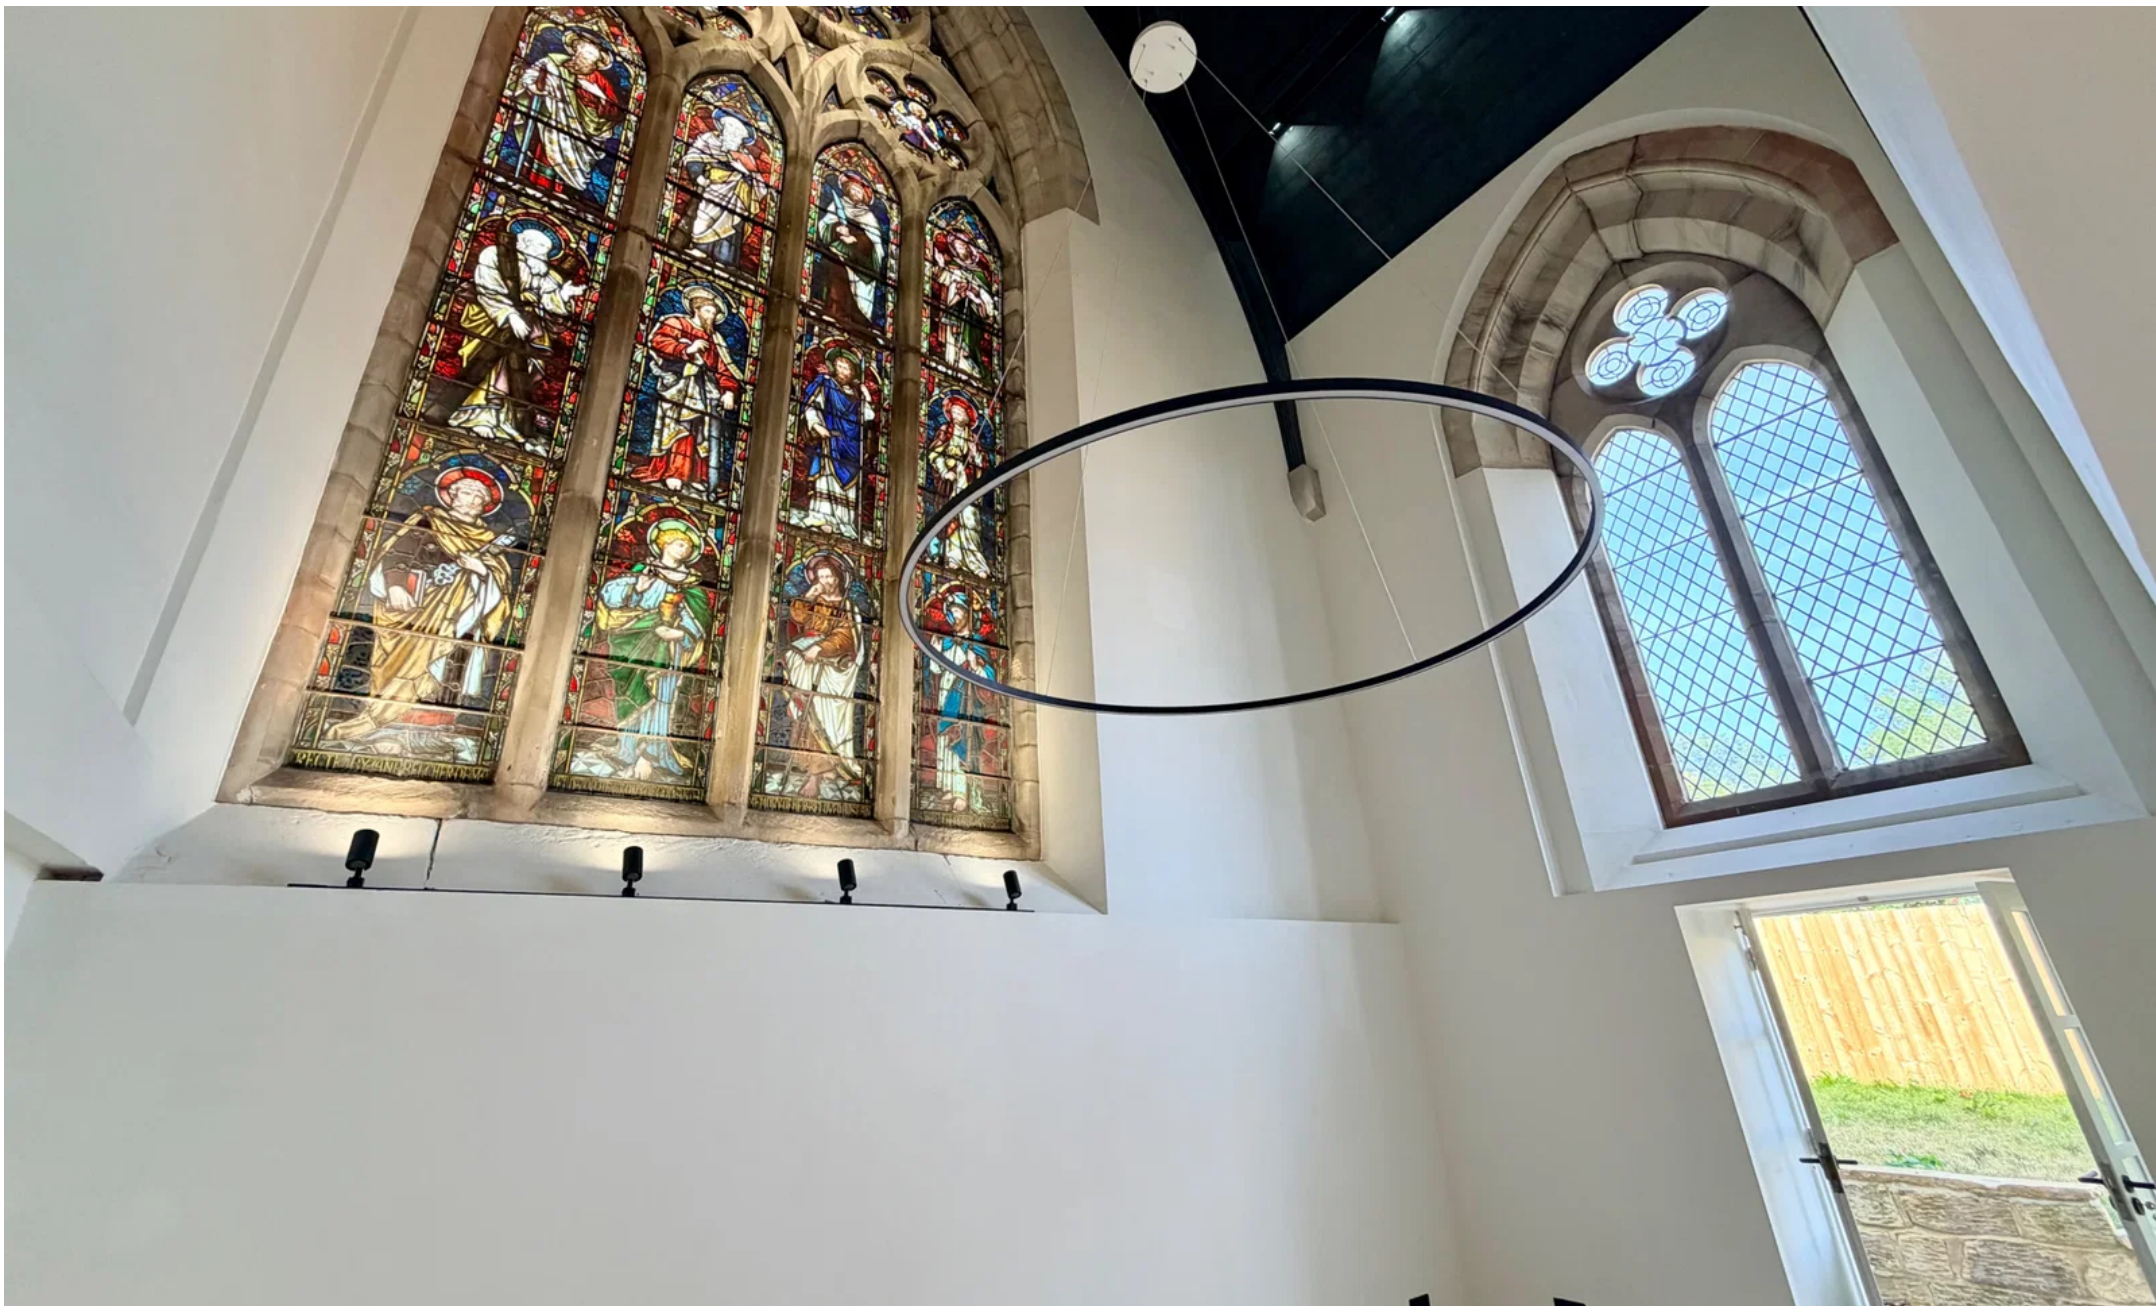

The impressive entrance is through the original substantial church doors into a generous lobby and entrance hall, where a magnificent carved-stone leaded window and contemporary glazed staircase immediately set the tone for the rest of the property.

At the heart of the home is the superb open-plan kitchen, dining and living space. The bespoke fitted kitchen centres around a substantial island and offers extensive storage, generous preparation space and a comprehensive range of integrated appliances.

Alongside, the generous dining and living areas sit beneath one of the church's magnificent original stained-glass windows, providing a spectacular architectural backdrop to both everyday family life and entertaining.
