LOCATION

Clifford Gardens is a popular and peaceful cul-de-sac situated in an elevated position above Shirehampton, offering a pleasant residential setting with a number of properties enjoying far-reaching views across the surrounding countryside and towards North Somerset. The road was developed from the late 1950s and provides a mixture of established family homes, with the elevated position adding to its appeal.

Despite its quiet setting, Clifford Gardens is conveniently positioned for the amenities of Shirehampton village, with the High Street, local shops, cafés, GP surgery and everyday services all within easy reach. The area also benefits from excellent access to a range of green spaces, including Shirehampton Park, Kingsweston House and the extensive Blaise Castle Estate, providing plenty of opportunity for walking and outdoor recreation.

Transport links are another key advantage, with regular bus services nearby and Shirehampton railway station approximately 0.7 miles away. The Portway provides convenient access towards Bristol, while the M5 motorway at Avonmouth can be reached within around five minutes by car, making Clifford Gardens well placed for commuters.
