

Jabbeke

Situated in one of Boston's most desirable areas, within easy reach of Pilgrim Hospital and several well-regarded local schools, Jabbeke is a large, individually designed detached bungalow offering comfort, space and excellent potential for future development.

Set well back from the road, the property enjoys a long gravel driveway providing ample off-road parking for multiple vehicles, complemented by well maintained gardens to both the front and rear.

Inside, a welcoming entrance hallway offers plenty of useful storage, leading to a generous lounge/diner and a bright garden room overlooking the rear garden. The breakfast kitchen and utility room overlook the garden and provide practical living space, and the bungalow currently offers two large double bedrooms and a well-appointed four piece bathroom.

Adding to its appeal, the property presents fantastic potential to extend into the loft space, subject to the relevant planning permissions. With a dormer window already in place, there's ample room to potentially create two additional double bedrooms and bathroom or en-suite facilities, making this an exciting opportunity for those seeking flexibility and room to grow.

Offered to the market with no onward chain, Jabbeke is a wonderful example of a well-cared-for home in a prime Boston location.
