- Bollard securing access

Covered car ports rarely become available in sought after locations such as this! Situated behind Preston Grange opposite Preston Park, the space (number 12) has a secure bollard reserving an off road parking space. Being covered helps protect your vehicle from the elements and improve security. Available from March, the landlord would ideally like a long term rental agreement with rent being paid in upfront blocks of 12 months. Preston Park mainline station and a regular bus service to the city are easily accessible nearby.
