Shirehampton village itself has a busy high street offering a wide selection of independent shops, the newly opened but highly regarded Ruby Jeans coffee shop, Co-op supermarket, Post Office, and pubs amongst many others. Summary

The flexible accommodation is set over three floors offering generous living areas and four ample double bedrooms and bathrooms. Previously the spacious open plan living area on the ground floor has been used solely as a kitchen/diner giving more space for the dining table and the fourth bedroom on the first floor was used as a separate sitting room making the most of the wonderful rear views showing how the house could be changed around to suit different needs.

Vendors Comments

"We have loved the size of the house and the ability to change rooms around. The skylights at the top of the house are beautiful and bring so much light through, as is the view from the top back bedroom. With two ensuites, a bathroom and a downstairs toilet have been extremely practical too. Having a private parking space is so useful in Shirehampton and was a very important reason we decided to buy the house. The location has been fantastic with some beautiful countryside in the surrounding area, we do love to walk by the river and into the Blaise Castle estate. We are also just a short walk from the popular high street that offers all you could need including a Post office and a host of convenience shops. Bus and train stops are also close providing great access to Bristol and further afield and the Doctor surgery / Pharmacy are just 5 mins away. It is great to be so close to all we need."
