REAR GARDEN

A meticulously maintained, south-facing rear garden offering a variety of beautifully arranged outdoor spaces. Entering via secure gated access, a patio walkway guides you through areas of level lawn, gravel with attractive planters, and a raised decking terrace that provides an excellent setting for seating and entertaining. The garden enjoys multiple access points, including a double-glazed UPVC door into the garage, French doors into the living room, and a further UPVC door into the hallway. Practical additions such as an outside tap, EV charging point, outdoor lighting, and a range of mature shrubbery complete this well-designed and inviting space.

GARAGE

Single Garage

A well-proportioned garage featuring vaulted ceilings providing storage potential. The space includes an up-and-over garage door, a side aspect UPVC door opening into the garden. The garage is equipped with power and lighting, making it a versatile and practical area suitable for storage, hobbies, or workshop use.

ALLOCATED PARKING

2 Parking Spaces

The property benefits from generous rear parking, with multiple spaces positioned in front of the garage and an additional allocated space within a private residents' parking area. From here, an up-and-over door opens directly into the garage, while a wooden gate provides convenient access into the rear garden, ensuring seamless movement between parking and outdoor areas.
